The Chair called for Action Item 7 - Consideration of and possible action approving a Memorandum of Understanding between the Lower Colorado River Authority and the Guadalupe-Blanco River Authority. The Guadalupe-Blanco River Authority and the Lower Colorado River Authority are neighboring river authorities and together serve as major regional water suppliers for one of the fastest growing regions in the country. Collaboration in the form of a Memorandum of Understanding provides opportunities for creative planning and solutions that could help meet the current and future water needs for both authorities’ respective water needs, particularly in areas near each other’s service area boundaries. While the authorities already share considerable data and planning information, the proposed Memorandum of Understanding would formally recognize the potential benefits of such collaboration and guide the authorities' efforts in this regard. The Lower Colorado River Authority approved the Memorandum of Understanding at their May 2014 Board meeting. Upon motion by Director Kunde, seconded by Director Mathews, the Board unanimously approved a Memorandum of Understanding between the Lower Colorado River Authority and the Guadalupe-Blanco River Authority.
Next, the Chair called for **Action Item 8 - Consideration of and possible action approving a Memorandum of Understanding between the City of Corpus Christi and the Guadalupe-Blanco River Authority.** The Guadalupe-Blanco River Authority and the City of Corpus Christi are neighbors and together serve as major regional water entities in the rapidly expanding Coastal Bend area of Texas. Collaboration in the form of a Memorandum of Understanding provides opportunities for creative planning and solutions that could help meet the current and future water needs for both the City of Corpus Christi and the Guadalupe-Blanco River Authority’s respective water needs, particularly in areas near each other’s service area boundaries. While the City of Corpus Christi and the Guadalupe-Blanco River Authority have already shared considerable data and planning information, the proposed Memorandum of Understanding would formally recognize the potential benefits of such collaboration and guide efforts in this regard. The City of Corpus Christi will consider approval of the Memorandum of Understanding at an upcoming meeting of their City Council. Upon motion by Director Kunde, seconded by Director Motl, the Board unanimously approved a Memorandum of Understanding between the City of Corpus Christi and the Guadalupe-Blanco River Authority. A copy of the Memorandum of Understanding is attached and made a part of these minutes.

The Chair then called for **Discussion Item 9 - Discussion regarding the 52nd Annual Texas Water Safari race.** Tommy Schulte briefed the Board on the 52nd
Texas Water Safari race. The first race was held in 1962 and the fastest time is 29 hours and 46 minutes. The river race is 260 miles beginning at Aquarena Springs in San Marcos and ends in Seadrift. There are sixteen check points along the race. One hundred and one teams started the race and a six man team finished first. A new record was established by, George Zimmerman. Mr. Zimmerman competed in the first Texas water safari race and is now 76 years old. His four man team finished in 45th place.
