

Canyon Lake Release Advisory
April 29, 2019

The U.S. Army Corps of Engineers has posted a notice it will increase the water release rate to 400 cubic feet per second (cfs) at 11 a.m. today, April 29.

Property owners, recreationalists and other stakeholders should take notice of the changing river flows. Additional information about Canyon releases and other stream flow data may be found at <https://bit.ly/2NI2HTz>.
