

Canyon Reservoir Advisory
June 12, 2019

The U.S. Army Corps of Engineers will be closing one of the gates at Canyon Dam today, June 12, 2019, for 6 to 24 hours for maintenance. The total release will be 400 cfs. If unfavorable turbulence or backwater effects are observed, a second gate will be closed and flows reduced.

Property owners, recreationalists and other stakeholders should take notice of the changing river flows. Additional information about Canyon releases and other stream flow data may be found at <https://bit.ly/2NI2HTz>.
