

Canyon Reservoir Advisory
June 18, 2019

The U.S. Army Corps of Engineers will shut off water releases from Canyon Reservoir from approximately 8:30 a.m. to 12:30 p.m. Wednesday, June 19, 2019, for ongoing maintenance. Following the completion of the work, water releases will be returned to 450 cfs. Flows will be decreased to 330 cfs for the weekend.

Property owners, recreationalists and other stakeholders should take notice of the changing river flows. Additional information about Canyon releases and other stream flow data may be found at <https://bit.ly/2NI2HTz>.
