Hydro Dam Repair Schedule Update

Due to the recent spillgate failure at Lake Dunlap, all repairs to the hydroelectric dams are indefinitely postponed until a determination can be made on how the work can progress safely. At this time, the lakes will remain at their current water levels. We ask for your continued patience.

About

The Guadalupe-Blanco River Authority was established by the Texas Legislature in 1933 as a water conservation and reclamation district. GBRA provides stewardship for the water resources in its 10-county statutory district which begins near the headwaters of the Guadalupe and Blanco rivers, ends at San Antonio Bay, and includes Kendall, Comal, Hays, Caldwell, Guadalupe, Gonzales, DeWitt, Victoria, Calhoun and Refugio counties.
