Sampling sites are labeled in red followed by the letter G (GBRA), T (TCEQ), U (UGRA) or W (Wimberley), indicating the monitoring entity.
The image is a map of the Peach Creek Watershed with various waterways labeled. The map includes symbols for monitoring stations, stream segments, tributaries, segment boundaries, watershed boundaries, cities, counties, and roadways. The map also indicates industrial WW permits, domestic WW permits, and Texas Land Application Permits.

A legend specifies the meanings of the symbols and colors used on the map. Sampling sites are labeled in red followed by the letter G (GBRA), T (TCEQ), U (UGRA), or W (Wimberley), indicating the monitoring entity.
