

Plum Creek Watershed Partnership to hold stakeholder meeting May 30 at The Luling Foundation

Luling – The Plum Creek Watershed Partnership (Partnership) welcomes the public to participate in a stakeholder meeting set for May 30th at The Luling Foundation.

The Luling Foundation is located at 523 S Mulberry Avenue, Luling, TX 78648

Sign in begins at 6 p.m. with a free BBQ dinner sponsored by the Caldwell-Travis Soil and Water Conservation District to be provided for meeting attendees. Partnership meetings are free and open to the public. Please send your RSVP by 5 PM on May 28th to srisinger@plumcreekwatershed.org or by calling 830-557-7358.

The meeting will begin with a welcome from the City of Luling at 6:00 p.m. followed by presentations from Steve Risinger, Plum Creek Watershed Coordinator and Julie Zimmerman, AgriLife Extension. Jeremy Hasty, NRCS, will be the evening's keynote speaker, explaining the benefits of healthy soil. Discussion topics will include Plum Creek's feral hog abatement efforts, water quality management, healthy landscaping practices, grazing management, soil health, and stakeholder engagement.

"We are excited to announce that our next Partnership meeting will be hosted by the City of Luling. The Plum Creek watershed is undergoing a period of unprecedented growth with many residents new to the watershed. If you live or work in the Plum Creek watershed and have a desire to join the wonderful community of stakeholders working to restore water quality in Plum Creek, this is a meeting you should attend," said Risinger.

For more information on how you can help restore and protect Plum Creek, go to <http://plumcreekwatershed.org/>. You can also email Watershed Coordinator, Steve Risinger, at srisinger@plumcreekwatershed.org. Requests by mail should be sent to 405 E. Market St., Lockhart, Texas, 78644.

Funding for the development and support of the Plum Creek Watershed Protection Plan is through a Clean Water Act Section 319(h) grant provided by the Texas State Soil and Water Conservation Board and U.S. Environmental Protection Agency.
