Community Development Block Grant-Mitigation Project Applications

The Guadalupe-Blanco River Authority is applying for Community Development Block Grant- Mitigation (CDBG-MIT) funds to mitigate against future coastal storm events. The Texas General Land Office (GLO) created an Action Plan and submitted to the Office of Housing and Urban Development (HUD) to show the needs for Mitigation measures in the State of Texas. The Action Plan was approved by HUD and project applications are due on October 28, 2020.

The Guadalupe-Blanco River Authority is required to make available the project applications for the public to view and make comment on for 14 days. This 14-day comment period will begin on October 6, 2020 and end October 21, 2020.

The application is available for download under the link provided below:
