

**GUADALUPE-BLANCO RIVER AUTHORITY**  
Annual Energy Report as Required by House Bill 3693  
For the Period of September 1, 2025 through August 31, 2026

|                                                                               |             |                |
|-------------------------------------------------------------------------------|-------------|----------------|
| Metered amount of electricity for the period                                  | 65,945,927  | kilowatt hours |
| Metered amount of water for the period                                        | 17,800,849  | gallons        |
| Metered amount of natural gas for the period                                  | 1218        | cubic feet     |
| Aggregate cost of electricity, water, and natural gas consumed for the period | \$6,031,746 |                |

HB 3693 was adopted during the 2007 Legislative Session. Among other things, the bill requires governmental entities responsible for payments for electric, water, or natural gas utility services to record the entity's metered amount of electricity, water, or natural gas consumed for which it is responsible to pay, as well as the aggregate costs for those utility services and post the information to its website.
